Award-Winning Courses

Home to three 18-hole courses, two clubhouses and an excellent 12-acre training facility, Wailea offers more golf than any other resort in Hawaii. And, with scores of accolades and sweeping vistas from every fairway, we're proud to provide an unforgettable experience with every round.

The former home course of the Champions Skins Game and LPGA Skins Game, the Wailea Gold is a rugged and masterful layout lauded by Conde Nast Traveler, Golf Digest and Golfweek, among others. Designed by Robert Trent Jones II, the course takes full advantage of its natural terrain, punctuated by stark lava outcroppings and remnants of ancient rock walls, with vast ocean views from every fairway.

The Wailea Emerald is candy for the eyes and therapy for the soul. The recipient of numerous accolades, the Emerald is popular for its skillful design, high playability factor, lush tropical foliage and phenomenal ocean vistas. The course has been honored multiple times for being women- and couples-friendly, but with four to six tee boxes on every hole, it's a great choice for players of all skill levels.

A true Hawaiian resort classic, the Wailea Blue hails from an era when character created the course. Its manicured fairways weave across Maui's natural foothills, graced by soothing lakes, lush island foliage and superb ocean views stretching to the horizon. Blue Course guests can choose from multiple tee options ranging from a full-length experience to great short-course options including 9-hole rounds.
